The Story of Lola's

Lola's started with a dream of a young aspiring high school student. As a child, Bruce enjoyed spending many hours cooking and baking with his beloved Grandma and Mother. There was never a recipe that required too much time or attention. This love for food eventually led way to an education at UNLV in Hospitality Management with a Food and Beverage Specialty. Later, Bruce would work and manage Bill's Pizza in Mundelein, but the true dream was to own his own place where his love of food, family recipes, and visions of customer service would come together. During this time, along came Lola, an adorable and lovable Pomeranian puppy. A family owned and operated restaurant was born, honoring the most beloved dog ever and a restaurant featuring the freshest homemade, from scratch, food to be offered in the area. Today we continue to strive to provide everyone who comes through our door a memorable, can't wait to come back experience.

Please let any one of our 6 family members know if there is ever anything we can do to make your dining experience more enjoyable.
